| LECCESE

Ceramica Magica continues its journey through Italian stones with a spin-off of Marstood Stone 01, Leccese. This limestone, originary from Salento, is presented in four different shades and two different surfaces, offering as usual solutions for both commercial and residential spaces. The several special pieces available lead to a both modern or classic interpretation of the product, creating contrasting personalities tied by the eternal look of the stone. Because Leccese is a timeless choice.

Ceramica Magica continua il percorso di conoscenza delle pietre italiane attraverso uno spin-off del Marstood Stone 01, la Leccese. Questa pietra calcarea di origine Salentina viene virata in quattro diverse colorazioni e in due superfici, offrendo come da abitudine spunti sia per utilizzi commerciali che residenziali. I diversi pezzi speciali rendono possibile un'interpretazione del prodotto sia classica che moderna, creando personalità contrastanti unite dal look eterno della pietra. Perché la Leccese è una scelta senza tempo.
